

CLE Tracker™

Your CLE credit tracking needs **solved** once and for all.

Features, price, performance, support, 60-day FREE trial...it's all here! The affordable, easy-to-use CLE credit tracking solution.

Tracking CLE credits is a labor-intensive task. Having branch offices in other states can compound the problem even more. And if attorneys are licensed in more than one state, the task becomes truly overwhelming.

The Solution: CLE Tracker™

CLE Tracker is an easy-to-use solution for tracking CLE credits. Whether your firm has only a single office or is a large international firm with branch offices around the globe, CLE Tracker can solve your credit tracking needs once and for all.

- Track credit and seminar information for an entire law firm.
- Track credits for attorneys in different states.
- Indicate teaching credits.
- Track seminar attendance and sponsor information.
- Track seminar fees and expenses.
- Archive old CLE credit information.
- Create customized reports.
- Complete statistics to measure your firm's professional development efforts.
- Complete program documentation and on-screen help.
- User-friendly menu system.
- Credit checking for compliance.

Try CLE Tracker free for 60 days

Visit www.cletracker.com and download CLE Tracker today. You can install and run it **FREE** for 60-days. Create real life reports using your own data and CLE requirements. Discover first-hand the ease-of-use and depth of information provided. Receive a key to remove the time limit when you purchase CLE Tracker. Continue running without losing any of your data.
